

CS1200L

Slideaway Console

CS1200L integrates a set of 15-inch LCD panel, keyboard and touch panel to a traction LCD console module at 1U height. It provides customers another new option of integrated consoles.

Users who have already had a Master View KVM switch will only need to buy the CS1200L console module to enjoy space-saving and high-efficient advantages of products like [ACS1208AL](#) and [ACS1216AL](#).
